

Uniform Policy

Uniforms Are Mandatory

At The Meridian School, we believe that a neat, consistent, and age-appropriate appearance helps children arrive each day prepared, confident, and ready to learn. Our school uniform reflects pride in our community and supports an environment where students are focused, comfortable, and able to participate fully in school life.

To ensure consistency in quality, branding, colour, fit, and presentation, all Meridian School logo uniform items must be purchased exclusively through our authorized uniform retailer, **TGS Print Studio**. Supplemental non-logo items, such as shoes, socks, belts, goggles, towels, and other approved accessories, may be purchased independently from retailers of the family's choice, provided they meet the school's uniform requirements.

When engaged in Meridian School activities, whether on or off campus, students are required to wear the appropriate Meridian School uniform unless otherwise specified by the school.

Students are expected to wear the correct uniform with pride and care. This includes ensuring that shirts are worn properly, shoes are appropriate, and all uniform items are neat, clean, well-fitted, and presentable.

Students who are not dressed in the appropriate uniform must present a written explanation or email from their parent/guardian to their homeroom teacher. Please note that children will not be permitted to participate in school events if they are not properly dressed and no written explanation has been submitted.

Parents/guardians are asked to ensure that their child arrives at school each day in a Meridian School uniform that is clean, properly fitted, age appropriate, and suitable for the day's scheduled activities.

Formal School Uniform — Grades 1–6

Students in Grades 1 through 6 are required to have one formal school uniform kit.
